

TRUSTED GARAGE NETWORK

Benefits pack

Win and keep loyal customers with a trusted name.

Who we are

Trusted Garage Network is a UK directory of vetted independent garages. We help drivers find a garage they can trust, and help great garages win and keep loyal customers.

How verification works

- We check your business details, insurance and premises.
- We confirm accreditations and MOT station status where you hold them.
- Every member signs up to Our standards, our code of conduct.
- We re-check insurance every year and act on complaints.

What members get by plan

Standard

- Full garage profile with photos, services and prices
- Verified Member badge and marketing kit
- Reviews and review invitations
- 1 live offer at a time

Pro
